J. R. Landon, who was adjudged by the circuit court to be holding the office of mayor of Woodburn illegally, yesterday filed notice of appeal to the supreme court.

Secretary Bynon, of the Commercial club, has received a letter from Frank L. Menke, of Laoag, Philippine Islands in which the writer asks for descriptive literature of Salem.

INSIST UPON HAVING YOUR FAVORITE HAIR DRESSING

While shopping the most annoying thing is to have someone try to sell you something "just as good" when you ask for Newbro's Herpicide. To be sure, there are not many druggists who do this, but what few there are should know that such a policy will destroy the customer's confidence. When they try it on you, never wait for the story, simply hunt a store where they will sell you what you want.

It is absurd for anyone to say that a preparation is as good as Herpicide. They don't believe it themselves. Every druggist knows that there is but one genuine original dandruff germ de-

stroyer, and that is Newbro's Herpicide. It keeps the head free from dandruff and prevents the hair from coming out and stops itching of the scalp. Herpicide is really a wonderful remedy which does just what you want it to do and expect it to do. Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded. Applications at good barber shops. Send 10c in postage for a sample to The Herpicide Co., Dept. R, Detroit, Mich.

W. H. Dalrymple, of this city has been appointed government pipe-line inspector at the Salem brewery by the new revenue collector, Milt Miller, of Lebanon. Mr. Dalrymple succeeds Lee W. Acheson as local inspector.

From newsboy to star is quite a long road, but it has been successfully traveled by Howard Foote, who was at one time a live hustler among the Salem kids. He at one time carried The Capital Journal, and did it well too. At present he is on the Pantages circuit and is making good as a comedian and singer. He has been on the stage for some ten years and is now appearing for the first time before Salem audiences. He is playing at Ye Liberty, and will be there for this evening's performance. He has taken advantage of his visit to renew acquaintances with his old-time friends, and he has lost of them.

As an outcome of the recent visit to the governor and the taking of the case of Lillian Larkin before the board of control, proceedings have been commenced in Portland to try to free the girl. One of the surprises of the case is that I. D. Ramsley, who appeared here with Mrs. Bennett to plead for the release of the girl, is supposed to be doing time on the rockpile at Portland.

He recently received a long sentence and the authorities would like to know why he is not working at his job. In the meanwhile the girl remains in charge of Mrs. Baldwin at the Girls' Industrial school. The matter will come before the supreme court in the near future.

Governor West went to Hood River last night and will be back tonight or in the morning.

The old registration law is now in force and the new one in the discard, but it will probably not make any difference in the result of the coming election.

The nominating committee appointed by the members of the promotion department of the Salem Commercial club to select candidates for the election of a board of governors met last night and reported the names of the following men as willing aspirants: Geo. F. Rodgers, H. O. White, U. G. Shipley, W. I. Staley, John J. Roberts and W. H. Hamilton. The nominating committee was composed of the following members of the club: W. H. Hamilton, chairman; Carl Abrams, William Gahlsdorf, Luther J. Chapin and Roy Wasson. The election of the board of governors will take place December 10.

BE JEALOUS OF THE BEAUTY OF YOUR HAIR

In other words, be careful of it. The beauty of your hair depends upon its health. If it's beautiful, it's healthy. To make it glossy, bright, silky-soft--to make it fall more easily into the graceful, wavy folds of the coiffure--to make it stay where you put it--use Harmony Hair Beautifier. This dainty liquid dressing is just what it is named--a beautifier. If your hair is beautiful now, use it to make it even more so, and to preserve its loveliness. If it is not beautiful now, Harmony Hair Beautifier will improve its appearance in a way to please you, or money back. Its rose fragrance will overcome the oily smell of your hair. Easy to apply--simply sprinkle a little on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich dather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness--just a sweet cleanliness.

Both preparations come in odd-shaped very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store--The Rexall Store--one of the more than 7000 leading drug stores of the United States, Canada, and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made.--J. IT IS TO LAUGH!

The best comedy program ever put on in Salem. That was the unanimous verdict of every man, woman and child who saw the show at Ye Liberty last night. Every single act and picture on the bill was a roaring, screaming success. There were no dull moments. It was all fun, and lots of it. As a creator of genuine uproarious merriment, Laurie Ordway, the queen of comedienne, takes the palm. Every one of her numbers was a scream, and the people still called for more. This Pantages and Orpheum star is said to be the highest-priced single act that ever played in Salem, but she certainly earns her money. Howard Foote, the boy who was born and raised in Salem, did his share of keeping the crowds in good humor, and his many friends gave him the glad hand for every number. The motion picture dancing lessons fully lived up to their name as wonderful examples of instruction in the tango, turkey trot and hesitation waltz. Especially well did the audience like the hesitation waltz, and Mr. Wallace McCutcheon's masterly interpretation of it. A comedy drama, and a straight comedy picture completed a program of as excellent entertainment as has ever been shown in the city of Salem. The same bill is on today with two evening performances.

STRENGTH FOR OLD PEOPLE

Old people, to overcome the weakening, debilitating effects of increasing old age, often make a very bad mistake in using so-called "remedies" that contain alcohol and dangerous or habit-forming drugs. Often this stuff, because it liven and brightens them up a little just after taking a dose, leads them to imagine that it is doing them good, when it isn't. Remedies that rely for their sale on such deceit, do harm because the false excitement of the nerves and heart leaves them worse than they were before.

Rexall Olive Oil Emulsion is a real medicine--a splendid body and strength-builder, especially good for old people, because it furnishes to the system ingredients necessary to rebuild wasted tissues, strengthens the nerves, gives new energy and a younger and livelier feeling to the body. It doesn't contain a drop of alcohol nor any dangerous drug. It may not make you feel better after the first dose, nor perhaps for several days. But if you don't feel much better and stronger before you have taken a quarter as much as you have of other medicines that didn't help you, we will gladly give you back your money. That's certainly a square deal.

The four hypophosphites it contains are used by leading physicians everywhere in debility, weakness and liability to disease, to tone and strengthen the nerves. Purest Olive Oil, one of the most nutritious, most easily digested foods known, being taken with the hypophosphites, gives rich tissue nourishment to the entire system.

You who are weak and rundown, and you who are apparently well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down, nervous, emaciated or debilitated--the convalescing--growing children--aged people--it is a sensible, pleasant-tasting aid to renewed strength, better spirits, glowing health. If it does not help you your money will be given back to you without argument. Sold in this community only at our store--The Rexall Store--one of more than 7000 leading drug stores in the United States, Canada, and Great Britain--J. C. Perry, Drug Stores.
